REPORT OF THE COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Revised Statutes Annotated, as amended, the Board of Merrimack County Commissioners herewith submit the annual report of the Commissioners along with the Treasurer, Superintendent of the County Home and House of Correction, Farm Physician, Clerk of Superior Court, County Attorney, Chaplains, Sheriff, Auditors and County Extension Service for the year ending December 31, 1972.

The activity of each department is reported in detail in this report. The persons in charge of these departments will furnish any further detailed information desired by an interested taxpayer.

The donated foods program has increased in numbers of people served, items distributed and expense by reason of its general acceptance by qualified residents of the County. In addition, the eligibility requirements have been expanded by the Federal Government so that a far greater number of applicants are now qualified. The Commissioners are seeking to acquire within budgetary limits a new location for the distribution of donated foods. The present distribution point at the County Courthouse is not adequate both as to storage space and parking facilities.

For the year 1972 the patient load at the County Hospital and Nursing Home has been at an all time high. Some thought has been given as to the need for expansion to provide additional patient space for our senior citizens.

A Committee was appointed by the chairman of the county delegation to study the feasibility of continuing the farming and dairy activities at the County Farm. Reports and recommendations are expected during the coming year.

A rehabilitation program which was started in 1968 to help the prisoners has continued this year. This is believed to have been most beneficial to the men who are confined at our House of Correction.

A million dollar bond issue was voted by the County Delegation on October 5 for the purpose of building a new administration building. \$850,000 of the bond issue was for construction of the building, \$100,000 for necessary furnishings and equipment and \$50,000 for renovations of the present courthouse for the use of the Superior Court and its related departments.

The County Commissioners called a meeting of all overseers in the County last summer to discuss various phases of public assistance together with representatives from the local Department of Public Welfare.

We wish to extend to our entire county organization our deepest thanks for their loyalty and devotion during the past year. To the Merrimack County Delegation for their aid and confidence, and to the many volunteer people and organizations who give so generously of their time so that the people in our County Home may be a little happier.

Board of County Commissioners January 26, 1973
Merrimack County
Concord, New Hampshire 03301

Gentlemen:

We have examined the Balance Sheet of Merrimack County as at December 31, 1972 and the related Statements of Revenue and Expenses for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In accordance with the accounting practices followed by municipalities, the accounts are kept on a modified accrual basis under which the more important revenue and expenses are accrued, except interest on outstanding indebtedness, which is payable together with the matured indebtedness from appropriations of the following year. Expenditures for property, plant and equipment are expensed in the year of purchase.

In our opinion, the accompanying Balance Sheet and related Statements of Revenue and Expenses present fairly the position of Merrimack County as at December 31, 1972 and the results of its operations for the year then ended in conformity with generally accepted accounting principles for municipalities applied on a consistent basis.

Respectfully submitted,
David L. Connors C.P.A.

Respectfully submitted,

Richard W. Mahan,
Merrimack County Attorney

To the Citizens of Merrimack County and the Honorable Board of Commissioners, County Citizens and Commissioners:

Gentlemen:

As true with all law enforcement agencies we too have felt a steady increase in work load in recent years. The increased crime rate in our county, our state and our nation, has not skyrocketed during the past year, as it had in years previous, but it has continued to climb upward. I attribute this increase to the continuing rise in the abuse of drugs, by young people. Secondly, to the laxity of our judicial process, coupled with an overload of cases from the federal court level down to our own district court level. It appears that progress is being made in improving attitudes in our courts, and federal funding has come a long way in the past year toward curtailing our ever increasing problem.

The civil process in our county has continued to grow and every endeavor has been made to better educate our personnel and increase our service to the citizens, attorneys and courts.

It is my opinion that each form of government, town, county and state must continue to improve its services to its citizens and unless this is accomplished, the criminal element will be the only one who prospers. I have endeavored, and will continue to endeavor, to improve my staff so that when requested by a citizen, local community, or state organization, we will be better equipped to assist with any problem which arises.

In the past year we have assisted in three major homicide investigations in which this office has supplied four months of one man's time and two months of a criminal secretaries time to the City of Franklin, assisting in investigating their homicide case. We have strengthened our department by adding to our auxiliary force and organizing a mounted posse for aid in searches and rescues. The posse is trained and equipped in all phases of search and rescue procedures and has been organized without any expense to the county. We are presently in the process of establishing a county wide dispatch center to provide better services to the communities, through the local departments-in cooperation with this department. It is my firm belief that unless county government continues to provide assistance such as we have done, and our doing, it will not be fulfilling its obligation which was the intent on its inception.

The following activities represent your Sheriff's Department for the year 1972.

MERRIMACK COUNTY SHERIFF'S DEPT.
ACTIVITY REPORT

This department consists of the sheriff, 2 criminal deputies, 2 court deputies, 2 secretaries — 1 criminal and 1 civil and special deputies.

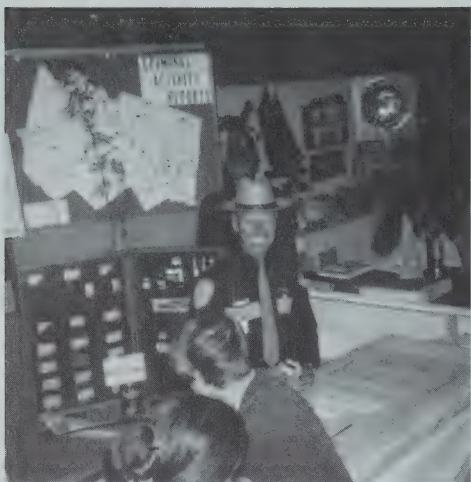

All civil work is handled by the sheriff and deputies

2. Arrests made by criminal deputies 130
3. Prisoners transported by criminal deputies 488
4. Juveniles transported by sheriff, criminal deputies and matrons 35

6. Published 37 criminal activity reports
7. Superior court attendance 277 days in 1972 by the sheriff, court deputies and special deputies.

My sincere thanks to our County Attorney Richard W. Mahan, our Merrimack County Commissioners and others who have supported my endeavors to make county government a worthwhile and meaningful organization.

Respectfully submitted,

Ronald D. Daniels, Jr.

To The County Commissioners:

It is with a great deal of pleasure that I present to you the 1972 report of the Merrimack County Nursing Home. As administrator, it has been a year of satisfaction and pleasure to serve you and the taxpayers of Merrimack County.

During the past twelve months, the patient load has continued at an all time high. The waiting list has been steadily creeping upwards and we are now receiving at least one call for an admission every day.

The department heads have continued their fine efforts. We have seen new programs developed in the Nursing Service as far as continued education is concerned, and in the Rehabilitation Department with our first in-house industry. Mrs. Mary E. Jelley, R.N., Assistant Administrator, and Mrs. Virginia Hutchinson, C.O.T.A., are to be thanked for their work in planning, preparing, and carrying through with these programs.

Similar thanks and praise should go to the other department heads for their planning and preparation. Workshops have been held for the Housekeeping Department, under Mrs. Lola Jones. Mrs. Gladys Tibbetts and her staff in the Kitchen continue to prepare excellent food and the number of complaints continue to diminish. Mr. Welcome in the Laundry helped with the securing of two new washer extractors and the planning of several new programs for better laundry delivery. With the increasing patient load, Mrs. Arlene Cote, Director of Nurses, has been extremely busy with her schedule of personnel. She is to be commended for the fine staff that cares for our Home's patients. Not enough thanks can be given to Mr. Richard Cadarette and the men of the Maintenance Department. These men have not only kept our buildings in operational shape, but they have performed many extra services this year. A special note is the installation of our new power generator which now permits us to operate at full power if Concord Electric Company service is interrupted. The installation of a new nurses' station and medicine room on North Wing II; the complete renovation of the Administrator's office; and the installation of new windows, toilets, and lights in the Jail

and House of Correction are a few of the services rendered by the Maintenance Department. The other two areas of my responsibility; namely, the Farm and the House of Correction and Jail were ably handled by Mr. Lester Tibbetts, Assistant Superintendent, and Mr. Edmund Cox, the Jailer. Despite a very wet year, Mr. Tibbetts managed to produce an excellent crop and provide the nursing home with a great many vegetables. Mr. Cox had an unusual year as far as the number and type of inmates and pre-trial detainees he was responsible for was concerned. The Rehabilitation program at the House of Correction continues to operate and has produced some excellent results.

A last special word of thanks and praise should go to Dr. J. Kenneth McLeod and the medical staff for all they have done in the way of medical service during the year. To Mrs. Bessie Gray and her committee bouquets for her 35th annual Christmas Party.

As a careful reading of the above will reveal, it has been an interesting and challenging year for all of us; and, on behalf of the staff and patients, my thanks for your confidence and support in our programs and our pledge to serve you in the year ahead.

Respectfully submitted,

Robert F. Lethbridge
Administrator
F.A.C.N.H.A.

REPORT OF THE MERRIMACK COUNTY HOME AUXILIARY

Early in the year the officers of the Auxiliary met with the Administrator, Mrs. Jelley and Mrs. Hutchinson to try and determine where and how our efforts on behalf of the residents of the Home should be directed. The following activities were the result.

Card tables and bingo games were purchased for the Recreation Room. Croquet and ring toss games were purchased for outdoor games.

Of the thirty or more chairs to be used in patient's rooms, fifteen have been caned through the efforts of the Volunteers and some members of the Staff. Mr. Russell Sims was hired to teach us and very kindly gave us a reduced rate as his share in our work for the patients.

In the Spring two flowering crabs were purchased and planted beside the walk to the road where the residents can enjoy their beauty in coming years.

An extra activity this year was our participation in the expense of obtaining a bus for the trip to the mountains during foliage season. This was much enjoyed.

During the Christmas season a Christmas tree was installed in the court yard and decorated by the Home.

Our regular activities of visiting the patients weekly, monthly birthday parties, dining room decorations, tray favors and weekly bouquets of "home grown" flowers during the summer have been carried on as well as the booth at Hopkinton Fair and the annual Christmas Store. During the year over 2,733 hours have been accounted for in our work at and for the Home.

As a group we wish to thank Mr. Lethbridge, Mrs. Jelley, Mrs. Cote, and Mrs. Hutchinson for their help. Also our thanks to the groups from surrounding towns who assisted with the birthday parties and donated articles for the Christmas Store.

CATHOLIC CHAPLAIN'S REPORT

Dear Mr. Lethbridge:

Again it is my pleasure to give you our annual report of our administration to the spiritual needs of the patients of the Merrimack County Nursing Home in Boscawen, N. H.

Monthly Mass was offered in your beautiful new Chapel, while Confessions were heard of all who wished it and Holy Communion distributed to every Catholic whether they attended Mass or were confined to their rooms.

Every three months we administered the Sacrament of the Sick, Extreme Unction and upon notification from the Hospital did the same for newly arrived patients. It may be interesting to note that on one day we anointed 62 Catholic patients. That was the greatest number there at one time during the year. The minimum was 50.

Fr. André Thibodeau joins me in thanking you and all your personnel for your cooperation in our administrations. I hope that you were as well pleased with our services.

I doubt if there is another institution in the State of New Hampshire where everyone wears a "wall-to-wall" smile. Yours is a warm and happy home for our special citizens.

Devotedly in Christ

Rev. John E. Pitts, Pastor

1972 REPORT OF CHAPLAIN OF MERRIMACK COUNTY HOME

Religious services have been held at the Merrimack Nursing Home and Hospital every Sunday in 1972. Ministers, or laymen from within the County, representing all denominations, have conducted services and brought with them some type of special music, and on occasion an entire choir. The Chaplain, in addition to his two Sundays a month, would fill in for some minister unable to make his assignment. Usually, however, each assignee was on hand. The cooperation received from all the clergy is deeply appreciated; as well as from Mr. Robert Lethbridge and the staff at the Home.

The following ministers participated in 1972:

Rev. David Andrews, Canterbury Congregational Church
Rev. Kenneth Boyle, South Congregational Church, Concord
Rev. Elsie Dame, Webster Congregational Church
Rev. John Dame, Dunbarton Congregational Church

With this report I terminate my services as Chaplain, very rewarding years to me; for the residents I trust, I met some of their needs. I shall cooperate with the new Chaplain, Rev. Mark Schipul, in ways that he may suggest, and wish for him, the residents and the staff a fruitful and rewarding service.

Respectfully,

Oliver C. Northcott,

REPORT OF THE PHYSICIAN

Gentlemen:

The Merrimack County Nursing Home and Hospital continues to operate at full capacity with an ever increasing waiting list for admissions.

Every season and year finds changes and adjustments at the County Home. We are constantly involved in expanding and adding to the services for nursing home patients, employees and to the Jail and House of Correction.

The Nursing Home patients we are receiving from area hospitals and other nursing homes require and receive skilled care. To insure the many thousands of hours of nursing care necessary for these patients is a never ending task. Continuing education for all personnel is encouraged and goes on throughout the year.

I wish to thank the Medical Staff, the Administrators, the Department Heads and the entire staff for their interest and cooperation.

J. Kenneth McLeod, M. D.
